

Prayer of Thanks

Dear God,

This is your friend, _____. I am coming to you right now to give you praise and thanks for being a totally awesome God. The Bible says that You not only created me, but You also planned a way for me to have a good life. You have given me Your Holy Spirit to guide me and protect me. Thanks for always having my back.

You already know that some hard stuff has happened to me, but I don't believe that You caused those things to happen. I do believe that You were there for me then and You are here for me now. For that, I praise You and thank You.

The Bible says in Psalm 150 that everything on this Earth that has breath should praise You. That's what I am doing now. That's what I plan to do all of the days of my life. I praise You, God! I thank You, God! You love and care for me. Help me to always see that You are right beside me, no matter what.

In Jesus' Name,
Amen
