

Prayer to Make Better Decisions

Dear Heavenly Father,

In the past, I have really messed up and made some bad choices. Please forgive me. I do not want to keep making decision that do

not honor You or please You.

Thank You for always being with me and Thank You for always listening to my prayers. I receive Your forgiveness, and I know Your Holy Spirit will help me.

Father God, I really want to live out Phillipians 4:8, but I will really need Your help to do it. Help me to always think on things that are the best and not the worst. Help me to meditate on what is beautiful and Godly. With all of the darkness around me in this world, help me to see Your Light. Help me to also be Your Light. Help me to quickly forgive others and to love them.

Thank You for loving me and helping me to be better at this Christian life thing. Thank You for Your protection and Your guidance. I love you, Jesus! I want to make You look good!

In Jesus' Name,
Taffy Taylor
